Growing in Love with the Eucharist in Marriage

Love is an important part of marriage, yet isn't always easy to live out. There may be moments where you feel more in love with your spouse than at other times, or are better able to work together in certain situations than others. You may be looking for ways to strengthen your relationship, or you may be struggling with difficult times as a couple.

St. Teresa of Calcutta recommended that we “come back to Adoration”^[1] to grow in love, which is another way to joyfully celebrate the Eucharist as a couple. If you or your spouse have never been to Eucharistic Adoration or would like more information about it, you can check out this small guide on the [Dynamic Catholic website](#).

“Jesus has made Himself the Bread of Life to give us life. Night and day, He is there. If you really want to grow in love, come back to the Eucharist, come back to that Adoration.” – St. Teresa of Calcutta^[2]
